

Dear Bob and Teresa,

*Thank you so much for the precious newsletter. I am a post abortion survivor...and this was when you had to go to New York or somewhere "special" to do it!! I have seen miraculous inner healing in others and myself as I have walked with the Lord these past years. I am so proud of you for walking out your faith in front of others. But I want to thank you for taking the time to even write a thank you letter to us. So many times, we forget to do this! Your blessing to my family and I makes my faith so much stronger!!*

*May the Lord continue to give you a "double portion blessing" (twins) in every way!*

Love

J
